

National Board Member Profile

Val Southam JP

Director (NSW)

Val Southam has been in the waste, recycling and environment industry for nearly 20 years. She has had experience in managing recycling reprocessing businesses, marketing of recycled products as well as managing the environmental affairs portfolio for several major Australian Corporates such as Smorgon and Southcorp.

Val also serves on the board of the National Packaging Covenant Council.

In June 2001 Val was appointed to the position of Chief Executive Office of the Waste Management Association of Australia.

Val is a member of the board of KAB National Association and of KAB NSW.
