Paint Australia Beautiful

WHAT IS PAINT AUSTRALIA BEAUTIFUL?

The Paint Australia Beautiful Schools Competition invites students to create nature-inspired murals that capture their vision for a cleaner, more sustainable Australia. The competition fosters in students a sense of civic responsibility and eco-consciousness, encouraging them to protect and preserve local biodiversity.

HOW DOES IT WORK?

2023 WINNER - KINTORE NT

2024

NOV ● Registrations of interest open for 2025

2025

FEB ● During Term One, primary schools across Australia have ten weeks to submit a nature-inspired mural design. Each submission should include an explanation of how the mural reflects the school's sustainability initiatives and the unique natural environment and biodiversity of the local area.

One school from each state and territory will be shortlisted for public voting, encouraging schools to rally support and share their designs through social media.

MAY ● Public voting ends

State and territory winners announced. Up to eight winning primary schools are selected to complete their murals, using the paint and supplies (approximately \$750 per school) provided by a major sponsor

Sponsor provides paint to winning schools

JUL ● Deadline for murals to be completed. Schools who paint their mural design within the allocated ten weeks are presented with a winners' plaque and cash prize of \$500.

Completed murals will then be submitted for public voting on social media to win a further \$2000 as part of the National People's Choice Award!

AUG ● Mural unveiling media event

National People's Choice Competition opens for voting (25 Aug – 1 Sep 2025)

SEP ● National People's Choice Winner announced
